

**REMARKS:**

This paper is herewith filed in response to the Examiner's final Office Action mailed on September 11, 2009 for the above-captioned U.S. Patent Application. This office action is a final rejection of claims 1-2, 5-14, 17-26, and 29-37 of the application.

More specifically, the Examiner has rejected claims 1-2, 5-12, 25-26, and 29-34 under 35 USC 101 as not falling within one of the four statutory categories of invention. The Applicants respectfully address the rejections.

The Applicants note that the Examiner has indicated that claims 13-14, 17-24, and 35-37 are allowed. The Applicants thank the Examiner for this indication of Allowance.

Claims 1, 25, 29, and 34 have been amended for clarification. Claim 35 has been amended for mere formality to remove a text character. Support for the amendments can be found at least in paragraphs [0029], [0032], [0035], and [0100] of the published Application. No new matter is added.

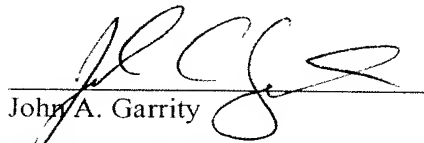

INTERVIEW SUMMARY: On September 29, 2009 the Applicant's Representative contacted Examiner Jackson to review proposed claim amendments to claims 1, 25, 29, and 34 for an Allowance of the pending claims of the application. On September 30, 2009 the Examiner contacted the Applicant's Representative and it was agreed that the proposed amendments would overcome the rejections under 35 USC 101 of the Office Action dated September 11, 2009. Further, the Examiner indicated that all the pending claims as amended would be Allowed. The Applicant's Representative submits that this Interview Summary will constitute a complete reply required for any PTOL-413 or other form created in response to this Interview. The Applicant's Representative thanks the Examiner for her review in this matter.

The Applicant's Representative submits that, as indicated above, all claims 1-2, 5-14, 17-26, and 29-37 are all seen to be allowable. The Examiner is respectfully requested to provide a Notice of Allowance for all claims 1-2, 5-14, 17-26, and 29-37 or else contact the Applicant's
